

Be a Show Sponsor!

The BCCA National Specialty would not exist if not for the generosity of its members. Your donations help the host club to cover the costs of everything associated with producing a show of this size, from facilities rentals to judges' expenses to printing and postage costs.

As an individual sponsor, you will not only receive the Show Committee's heartfelt thanks, but also recognition of your generosity and some small tokens of our appreciation. Please note that the deadline for inclusion in the show catalog is August 20, 2023. We will happily accept contributions after that date, but we would like for you to receive the recognition you deserve.

You can include your donation on the Master Registration Form when you register for the Specialty. If you prefer to donate now via check, please contact Merilynn Bergstresser at 2023bccatreas@gmail.com for mailing information. Checks should be made out to **BCCA 2023 National Specialty**.

Sponsorship levels are:

- Sauerkraut (up to \$100): Receives sponsorship listing in the catalog
- Pretzels (\$100-249): Receives a free black-and-white ad in the catalog
- Schnitzel (\$250-499): Receives a free color ad in the catalog
- Apple Strudel (\$501 & up): Receives a free color ad in the catalog and a free catalog
